MENTOR APPLICATION

Deadline
Friday, November 8, 2013
5:00 pm
OVERVIEW OF THE PROGRAM

The goal of the Mentor Emory Program is to enhance the development of individuals (mentees) through paired relationships with their mentors. This focused attention on professional development provides an opportunity for mentees to reflect and develop with their mentors. Developing engaged employees strengthens and supports the retention of the talented individuals within the University.

This program supports Emory’s vision to:

- Be a destination university by fostering lifelong learning among all constituents.
- Be inquiry-driven by providing employees with opportunities to enhance their professional skills.
- Be distinctive for its ethical commitment by setting standards followed by others.
- Work for positive transformation by fostering openness and diversity of thought, experience and culture.

Eligible Mentor Candidates:

Any full time employee of Emory University who has a willingness to support the development of another employee.

Time Commitment: Approximately 2-4 hours per month for 8 months

Expectations:

- Mentee-Mentor pairs will identify clear objectives for the mentoring relationship in conjunction with the mentee’s development plan.
- Mentee-Mentors pairs will complete any prework throughout the program.
- Mentee-Mentor pairs will meet regularly and commit two to four hours per month for development.
- Mentee-Mentor pairs will attend all Mentor Emory development activities and graduation.

Participant Selection:

All applicants will be notified via email by Friday, December 20, 2013 regarding the status of their application. Participants will be selected based on the information provided in the application, along with their professional goals and interests, their self-identified core values and mentoring styles, and where an appropriate match is available.
PROGRAM DESIGN
Mentee-Mentor pairs will be selected based on the information that is provided on the applications. Mentees will be challenged to “drive” the relationship with their mentors, by providing clear developmental goals. The role of the mentor is to support, challenge and motivate the mentee towards achieving those goals.

Mentee-Mentor Meetings
Mentees and mentors will coordinate their calendars to arrange for monthly meetings. It is expected that each mentee-mentor pair will meet between two to four hours per month in a mutually agreeable setting. The purpose of these meetings is to focus on the development goals of the mentees.

Program Dates
**Once selected, attendance will be required at all the Mentor Emory events.** By attending structured events, both the mentees and mentors will develop skills that support the mentoring relationships. Please review the following dates prior to submitting your application to ensure your availability. Unless otherwise noted, all sessions will take place at Learning & OD, 1599 Clifton Road.

Program Kickoff: The mentees and mentors are required to attend this session. This session will clarify roles, responsibilities and expectations. Sponsors/Supervisors of the Mentees will attend Orientation via a webinar/teleconference.
